Join us for a chance to enjoy the company of new and familiar members. We will have time to socialize and to catch up after the summer break. Refreshments and hors d'oeuvres will be served. Ashley Hine, she made the arrangements for us at the museum, has promised a free museum pass to everyone who attends. You can use it at a later date. Let's thank Ashley!!!!

Send an RSVP to Suzanne Becker at esmbecker@aol.com no later than Friday, September 9. If you are able to contribute a tray of hors d'oeuvres, please let Suzanne know also. Thank you! If you forget to RSVP, come anyway!

We will have speakers of interest to all members:

Our President Trish Pegram is presenting an overview of the League's current work and the interesting things we have to look forward to during the coming year.

Vice President Marilyn Brown will brief members on the two national studies in which we are participating this year, the Federal Role in Education and the Privatization of Government Services.

Past President Stephanie Huss will recount her experience at the Colorado Capital Conference held in Washington, DC in June. Sponsored by Senator Mark Udall and Colorado Mesa University, the conference offered those attending an inside look at Capitol Hill. Speakers included Stephen Chu, Secretary of Energy, our Congressional delegation, and several other insiders.

SEE YOU ALL ON 9-12!!!!!!!
