Learn more about available programs to assist you in lowering your monthly electric bill.

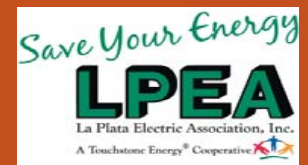

General Sessions at 8:30 a.m. and 1:00 p.m. report on utility efficiency programs and rebates offered by Tri-State Generation and Transmission, Empire Electric and La Plata Electric.

Hew Hallock, Southern Regional Representative with the Governor's Energy Office, will report on what is available now and in the future for loans, grants and incentives on energy efficiency and renewable programs.

Breakout Sessions beginning at 10 a.m and 2:30 p.m. allow you to choose only those sessions you want to attend.

You will have an opportunity to ask questions and hear from professionals about energy audits, simple home projects, 'Built Green', geo exchange systems, water heating, lighting solutions, weatherization and insulation, electric thermal storage, solar applications, renewable generation and net metering, carbon footprints and carbon offsets.

Co-Hosted by:

Complete your quest at "Verde Fest". Make August 15th an "efficiency day" by also visiting the Four Corners Sustainability Fair at the City Park in Cortez between 10 am and 4 pm.
