

Join representatives from the Colorado Health Benefit Exchange for a discussion about the latest developments with the new health insurance marketplace, to provide input about the needs of Southwest Colorado and to learn how to stay informed.

**Thursday, May 31<sup>st</sup>**

**4:30 PM**

**Durango Community Recreation Center, Sunlight Room, 2700 Main Avenue,  
Durango**

Myung Oak Kim is the Communications and Outreach Manager for the Exchange. She is responsible for a range of communications and outreach initiatives, including engaging stakeholder groups to participate in the planning process for the Exchange and to encourage Coloradans to shop on the Exchange when it opens in October 2013. She is responsible for conducting outreach to the state's two Native American Tribes and for coordinating the COHBE Outreach and Communications Advisory Group. Her biography can be found [here](#).

John Barela is the Health Plan Manager for the Exchange. He is responsible for working with insurance carriers to complete certification processes for health plans that will be offered through the Exchange. A certified Actuary, John will work to ensure that health plans meet new requirements about benefits and services and provider networks. He will coordinate the COHBE Health Plan Advisory Group. His biography can be found [here](#).
