

## LEAGUE NEWS UPDATES

### Events:

**Tour of new Sitter Family Hall (Geosciences, Physics and Engineering Building), Apr. 13, 10:00 AM.** Meet in entry at the new building for tours, talk about higher Ed. Funding, then anyone who wishes can join for lunch at the Student Union. If you are interested in joining this group, please let me know so we can get an estimate of the size to know how many guides will be needed. More information to come on parking and access.

**LWV La Plata Annual Meeting, May 16, 4:00 – 6:00,** Unitarian Universalist Church. Our annual business meeting to organize for next year and review the past year. Our speaker this year will be Julie Westendorff, Chair of the Board of County Commissioners.

**Electoral College: Past, Present & Future,** (date in 2d week of May to be determined) presentation by Prof Michael Dichio with panel discussing the future of the Electoral College. Details soon.

**Explanation of Election Process in Colorado,** (date in late May or early June to be set) presentation by Tiffany Parker, County Clerk, explaining the full process of an election, from registration through ballot counting, for full transparency of how an election really works and why fraud is very difficult here.

(These last 2 events will be community educational presentations in a series on election information to help explain questions raised from last November

## **Other items of interest:**

Durango "Peoples Climate March" April 29th 10-11:30 am. Event Organizer: Citizens' Climate Lobby, Great Old Broads for Wilderness, Stillwater Music, Our 1st 100 Days, Contact Info: Susan [susan131@aol.com](mailto:susan131@aol.com)

### Description:

Join friends for the Durango Peoples Climate March and Rally. We'll march from the train station to Buckley Park. Line-up at 9:45 am. Bring friends, family, camera and posters! Inspiring speakers and local actions you can take.

LWVUS has the following policy statement on global climate change:

“Climate change is the greatest environmental challenge of our generation. The League supports legislative solutions, including setting caps on greenhouse gas and carbon pollution, encouraging conservation and renewable energy and investing in a new clean energy economy.”

Both national and our state league support this march and many leagues across the country are partnering in these events.
