At one o'clock

We will car pool to the old Fort Lewis Campus in Hesperus for a tour by Ken Francis, Office of Community Services Director, and Beth LaShell, FLC Agriculture Department. They will discuss the history of the property, the current use, the draft plan and vision for the Old Fort Lewis Field Station, and the process for finalizing the plan. We will then take a short walking tour of the historic core campus. More information is available on our website www.lwvlaplata.org

If you come on your own, here are the directions to the old Fort Lewis Campus:
Proceed 11 miles west of Durango on Highway 160 to Hesperus. Turn left/south on Highway 140 and proceed 4 miles to the entrance on the right. Look for the highway sign labeled 'Fort Lewis' and complex of barns, outbuildings and houses. Park at the 2-story tan brick building, which is the former library. Meet us at 1:30 pm.

All members of AAUW are cordially invited to join us.

Please RSVP to Suzanne Becker at 375-1533 or
esmbecker@aol.com by Monday, Sept. 13th to join us for the tour.
