

YOU ARE CORDIALLY INVITED TO THE  
**2009 SAN JUAN AIR QUALITY  
FORUM**

**WHEN:** August 26  
8:30am to 4:30pm

**WHERE:** Durango Public Library

**WHY:**

- ✓ Learn about air quality issues in the 4 Corners Region
- ✓ Gain an understanding of potential health effects
- ✓ Learn about regulations and regulatory agencies
- ✓ Participate in discussions about current & future conditions

**OPEN TO THE PUBLIC:** Mountain Studies Institute is bringing together some of the regions experts on Air Quality to present and discuss current air quality conditions in the Four Corners, potential health effects associated with air quality, and current mitigation measures. Register at [www.mountainstudies.org](http://www.mountainstudies.org). first 70 to register get free lunch.
