

The League of Women Voters of La Plata County
and the Durango Public Library

Invite you to attend a study and discussion series

The Water Crisis at Home and Abroad

**To be held in 4 sessions from noon to 2pm
on Tuesdays, September 6, 13, 20, 27
In Program Room#2 at the Durango Public Library**

This extended series will engage the participants in discussions focused on the issues surrounding the growing global scarcity of water and the dwindling resource depletion in our local Four Corners region.

We are honored to have
Dennis Lum, Professor Emeritus of Fort Lewis College,
moderate and facilitate our discussions

Session outlines and a recommended reading list are available by
accessing www.lwvlaplata.org/waterseries.html

**Please put this event in your calendar
and reserve the dates**
